

## Do you need information about the support and services available to women and girls in Leeds?

- ♀ We have dedicated Community Development Workers who cover all areas of Leeds and are available to attend events, give presentations, facilitate drop in sessions and deliver awareness and outreach sessions to organisations around a variety of topics for women and girls.
- ♀ The team can provide information about the Women's Lives Leeds Services as well as signposting to other services in the city that may suit your community's needs.
- ♀ If you would like our workers to run an awareness session, provide drop-ins or attend events to raise awareness you can get in touch via the Contact page on our website [www.womenslivesleeds.org.uk](http://www.womenslivesleeds.org.uk) to check availability or email us at [WLL@leedswomensaid.org.uk](mailto:WLL@leedswomensaid.org.uk)
